A Brand That Produces for Designers

Welcome

TEKİN Stone & Woodworks is a Turkey-based manufacturing company specializing in natural stone and wood production. Located in Diyarbakır, our state-of-the-art facility brings together craftsmanship, advanced production techniques, and a deep appreciation for design.

We position ourselves as a trusted partner for architects, interior designers, and all creative professionals who seek sophisticated, tailor-made solutions. Our product range spans residential, commercial, and public spaces, with each piece crafted to reflect a strong design identity and functional excellence.

At TEKİN, every detail matters. Our wood and stone creations are not merely structural elements—they are design statements. Through a seamless integration of artistry and engineering, we deliver more than just products; we provide meaningful, lasting experiences.

Remzi TEKIN

BRAND FOUNDER & CREATIVE LEAD

Our Mission

To transform nature's finest materials into high-quality, design-driven products that elevate everyday spaces. We are committed to delivering unique, sustainable, and tailored solutions that meet the needs of our clients while enhancing the value of every project we contribute to.

Our Vission

Our Vision
To become a globally recognized and respected brand in the natural stone and wood industry—one that is synonymous with design excellence, reliability, and innovation. We aim to be a leading destination for architects and designers seeking to bring their visions to life through creative and premium material solutions.

RESIDENTIAL INTERIORS

Wooden Chair

We offer custom-made wooden dining tables and chairs, crafted to match the specific style and scale of each space. Designed with both comfort and durability in mind, every piece highlights the natural character of the material. At TEKİN Woodworks & Stone, we create warm, functional, and elegant dining environments tailored to unique lifestyles.

CLEAR-COATED WOOD

Sculptura Collection

Sculptural forms, flowing lines, and refined craftsmanship. The Sculptura Collection redefines furniture as not just functional, but as a statement of art and spatial identity.

NATURAL WOOD FINISH

The Arcadian Collection

With its rustic charm and timeless silhouette, this chair reflects our dedication to craftsmanship rooted in tradition. Each detail is shaped to bring warmth, balance, and character into contemporary living spaces.

OILED OAK FINISH

AURA Collection

Where simplicity defines form and details carry meaning. The AURA Collection leaves a refined impression in every modern setting.

POLISHED WALNUT SURFACE

POLYFORM Collection

The Asymmetrical Modern Chair is a bold expression of sculptural design and functional form. Crafted with precision and creativity, it reflects our commitment to producing distinctive, design-driven furniture pieces. Each curve tells a story—where craftsmanship meets contemporary art.

NATURAL AGED WOOD

RAWLINE Collection

Craft in its rawest form, shaped by the spirit of natural wood. The RAWLINE Collection celebrates authenticity, texture, and timeworn elegance. Every piece tells a story —where rustic charm meets timeless simplicity.

RESIDENTIAL INTERIORS

Dining Tables

We offer custom-made wooden dining tables and chairs, crafted to match the specific style and scale of each space. Designed with both comfort and durability in mind, every piece highlights the natural character of the material. At TEKİN Woodworks & Stone, we create warm, functional, and elegant dining environments tailored to unique lifestyles.

SOLID WALNUT WITH
NATURAL LIVE EDGE

NatureLine Collection

The NatureLine collection features handcrafted solid wood dining tables that merge organic beauty with artisan detail. Each table is unique, shaped by natural live edges and rich grain patterns—bringing warmth and personality to any dining space.

SOLID OAK WITH CLEAR MATTE FINISH

Linea Collection

The Linea collection features sleek dining tables designed for contemporary interiors. Combining natural wood tops with sculptural lacquered bases, these pieces celebrate balance, elegance, and architectural simplicity.

CLEAR GLASS SURFACE,
NATURAL OAK LEGS

CLARITY Collection

The Clarity collection blends the elegance of transparent glass with the warmth of solid wood bases, creating a clean, light-filled aesthetic. These tables bring a sense of openness and refined simplicity to any modern living space.

HANDCRAFTED CURVED BASE WITH NATURAL WALNUT FINISH

FORMA Collection

The Forma collection redefines the dining table as a sculptural centerpiece. With fluid, organic bases and elegantly shaped oval tops, these handcrafted wooden pieces merge fine artistry with functional design—crafted to make a bold statement in any sophisticated interior.

SOLID OAK WITH CLEAR MATTE FINISH

NORD Collection

The Nord collection showcases round dining tables inspired by Scandinavian simplicity and warmth. Crafted from light-toned solid wood, each piece offers soft textures and clean geometry—bringing timeless calm into any modern living space.

SCULPTED WALNUT VENEER ON ENGINEERED WOOD CORE

FLUXA Collection

With flowing lines, sculptural forms, and refined craftsmanship, Fluxa brings elegance and personality to dining spaces. Each piece transforms stillness into movement.
Fluxa is more than a table—it's a statement of form and grace.

HAND-CARVED SOLID WALNUT, ANTIQUE FINISH

REGALIA Collection

The Regalia collection represents the pinnacle of classical craftsmanship. With rich carvings, solid wood artistry, and majestic detailing, each table becomes a centerpiece of elegance—bringing timeless grandeur into the dining experience.

POLISHED STONE SURFACE
WITH WALNUT VENEER
PEDESTAL LEGS

LUNA Collection

The LunaStone collection merges the elegance of natural stone with the fluidity of sculpted wood. Marble-like tops rest on gently curved wooden bases, creating statement dining tables that elevate any modern interior with warmth and sophistication.

POLISHED STONE SURFACE ON SOLID ASH WOOD STRUCTURE

HIKARI Collection

The Hikari collection brings together the clean lines of Japandi design and the serenity of natural materials. Soft-toned woods and finely crafted stone surfaces create a calm, harmonious, and timeless kitchen environment—where simplicity becomes luxury.

At Tekin Woodworks & Stone

We don’t just produce furniture — we shape it, refine it, and bring it to life. Our design language, rooted in the honesty of natural materials, meets timeless forms to create spaces with character and soul.

From contemporary elegance to classical grandeur, from sculptural centerpieces to minimalist purity — each piece reflects our commitment to originality and detail.

We take pride in being part of bespoke collections, architectural projects, and tailor-made designs. For us, crafting furniture is more than production — it’s an ongoing expression of artistry.

Tekin Woodworks & Stone — Where craftsmanship meets design.
